Description

Villa Manzano is one of the four designs for new villas that make up the new development of "Magnolias For Life" This development is located in Cumbre del Sol, Benitachell, between Javea and Moraira. The properties are built in a modern style to the the highest standard standards by a construction company that has been operating in this area for over 30 years. The entrance to the villa is on the upper floor, with access to the two lower levels. when you enter you will find the entrance hall, three bedrooms with fitted wardrobes, (one bedroom with en suite) there is a second bathroom, utility room, a large terrace with a pergola and a central area with the lift and stairwell that also

communicates with the lower levels. The main living area of this impressive villa is on the ground floor and includes a hall, guest toilet, fully kitchen and a living room with direct access to the veranda, terrace and pool. Other outside features are BBQ and a storage room. Underneath there is an additional space of 50m² which is ideal for an extra bedroom, gym, study, etc.
