Description

This fully furnished stunning villa with magnificent sea views is both elegant and modern. Situated on the prestigious urbanisation La Corona, just 5 from Javea centre, means that you have the best of both worlds – Easy access to a plethora of luxury boutiques, gourmet restaurants and beautiful beaches, and the spectacular luxury of owning a premium south facing property.

Making the most of the natural light this contemporary villa has been designed to make a seamless connection

between indoor and outdoor areas. The living area is open plan and is the central flow of the residence opening effortlessly on to the various terraces. Out here you will spend most of your time, whether relaxing in the sun or dining alfresco, as this fantastic villa was made for entertaining. Set on a sizeable plot with numerous terraces and an established tropical garden, the focal points of the outdoor area are the swimming pool with integrated Jacuzzi, LED lighting and water feature, and the summer kitchen equipped with BBQ and electric awning.

Distributed over 3 floors this stylish property is an excellent example of luxury living with every aspect designed to maximise the natural light and views. The kitchen has an excellent layout with fitted units and marble floor all enhanced by the light that comes through the generous windows and patio doors. Each of the 4 bedrooms in this beautiful property features integrated wardrobes and television units together with multi-coloured LED cove l...
