Description

Fabulous newly built penthouse, very close to the historic center of Javea and 10 minutes walk from the port.

This fantastic property with solarium is offered brand new in a privileged area, within the new Esencial complex, whose construction has now ended in 2023. The Residencial Esencial has a beautiful private urbanization with swimming pool and gardens. On the main level we have three bedrooms, all exterior, and two bathrooms with high quality finishes. We also find a large bright living-dining room with beautiful views thanks to the covered terrace that surrounds it with views to the Montgó. In addition, it has a nice American kitchen, equipped. On the upper floor, we find a large terrace of 90 m² with jacuzzi and panoramic views of the Montgó, the town and the sea to enjoy every day of the year.
