Description

We present this charming south-facing property, which is distinguished by its panoramic views and exquisite Mediterranean-style architectural design. Strategically located behind the old town, this residence, originally erected by renowned architect Manuel Jorge, evokes a sense of serenity and elegance.

The main house, with a distribution of 3 bedrooms, 2 bathrooms, kitchen, and a spacious living room, offers a bright and welcoming space, adorned with a generously sized covered terrace. Equipped with modern amenities such as air conditioning, fireplace and underfloor heating powered by a solar boiler, it guarantees comfort in all seasons of the year.

In addition, a stunning, meticulously renovated independent guest casita delights visitors with a fully equipped kitchen, air conditioning, fireplace and underfloor heating, accompanied by its own private garden oasis
