## Description

Discover this contemporary gem in the coveted Cala Blanca of Jávea! This newly built villa combines modern elegance with a privileged location, just a few steps from the impressive Caleta, one of the most beautiful coves in the area.

Enjoy life on one level with this spacious residence offering a bright living-dining room, an open and practical kitchen, a convenient laundry room, and three cozy bedrooms, including a master suite with private bathroom and dressing room. All designed to provide you with unparalleled comfort and style!

Immerse yourself in the brightness of this house thanks to its generous windows that flood every corner with natural light. Additionally, it features modern amenities such as central underfloor heating, aérothermal system, and air conditioning in the bedrooms, to ensure your comfort in all seasons!

But that's not all, the exterior will also surprise you with a lush garden, a refreshing pool with pre-installation of a heat pump
