Description

With the stunning Montgó³ mountain as a backdrop and located at the end of a cul-de-sac, this spectacular property offers absolute tranquility and no traffic.

Upon arrival, an electric gate opens to a large private parking area, with plenty of space for multiple vehicles, plus a carport for two cars. From here, you access a hallway that leads to the bright, open-plan living and dining area, ideal for relaxation or gatherings.

Next to the hallway, there's an office that can be converted into a playroom for children. The living room, featuring traditional wooden beams and charming arches, connects to a glazed terrace with direct views of the pool and access to a spacious terrace. This area is perfect for outdoor dining or enjoying the sun with family and friends.

The fully equipped open-plan kitchen seamlessly integrates with the living room, and the utility room offers additional storage space and access to the back garden.
